REVISION OF SCHOOL HOURS FOR 2018

There will be some revisions to the school hours and programmes for 2018.

School Hours

Please note that the school hours will be revised to **7.30 a.m. to 1.30 p.m.** from **Monday to Friday**.

School Programmes

Supplementary programmes will only be conducted for our **Primary 6** students.

Co-Curricular Activities (CCA)

Bukit Panjang Primary School will embark on a more holistic approach towards the CCA programme in 2018. There will be a heavier focus on Primary 3 to 6 students to be involved in at least one CCA.

Conducted on every Friday morning, these groups of students will be exposed to the values and competencies that are necessary to equip them to the challenges of the rapidly changing world. The school believes that involvement in CCA is a part of the student's building block to be more resilient and adaptable to face the future.

For students who are identified with talents and skills, they will undergo further trainings on Friday mornings to enhance their capabilities. These students will undergo increased rigour and intensity in their training. The next level of training sessions will be conducted in the afternoons at the respective CCA time slots which are scheduled from 2.00 p.m. onwards.
