Future Leaders, Concerned Citizens

12 September 2018

Dear Parents/Guardians,

Official Launch of SNAC Smartphone Communication APP for iPhone & Android Devices

Bukit Panjang Primary School will be adopting a 3G/4G/WIFI enabled smartphone communication APP for Primary 1-5 parents on 13 September 2018. You can search the keyword 'SNAC' from the Apple APP store or Android Google Play to install this app into your smartphone (IOS 4.3≤ or Android 2.1≤ & 4.0.1≤).

With SNAC, parents will receive PDF attachments, multilingual message notifications and event notifications such as e-consent from the school. This app will allow the school to receive your response in real-time, track the read/unread status of notifications and take proactive measures to contact you on emergency matters should the notification not reach you within the stipulated time.

The school strongly encourages and looks forward to your support in implementing this new technology that will allow us to foster closer communication with you. We also hope to do our part in conserving resources by reducing paper used in sending hardcopies to you.

For more information on SNAC and setting up of your account, please refer to the attached instruction manual or installation and registration video guide at <https://www.youtube.com/watch?v=sEy3lWofnpw&t=25s> or email snac.support@apptitude.sg.

Yours sincerely,

Mr Bucktha Seelan
Principal
